

# The Institute for Infectious Animal Diseases Veterinary Student Internship Program

## Program Overview

Veterinary students interested in furthering their knowledge and competencies in the areas of public health, education, outreach, and extension and related fields from across the United States are invited to apply to the Institute for Infectious Animal Diseases (IIAD) Internship Program. Selected interns will be matched with IIAD scientist and educator mentors for paid 6-week summer internships, gaining hands-on experience related to the prevention, detection, control, and mitigation of high-consequence animal diseases.

## Eligibility Requirements

- U.S. Citizenship
- Minimum 3.0 GPA on a 4.0 scale
- Application submitted no later than February 28, 2017
- Full-time student status at the time of the internship
- Valid health insurance during the course of the internship

## Internship Requirements

- Attend orientation in April 2017 (conducted via webinar)
- Must be willing to relocate, if necessary, to the site of the internship for the duration of the 6-week appointment (travel costs will be partially covered).
  - Please visit <http://iiad.tamu.edu> to learn where IIAD scientists and educators are located.
- Complete a 6-week internship with an IIAD scientist or educator mentor
- Conduct a research briefing at the internship site
- Maintain a weekly training log
- Complete an extension-related community activity showcasing the summer research
- Provide two 1-page peer review critiques of presentations and extension projects of other interns in the cohort
- Submit a 6-page summary report and all required forms

## Program Timeline

- January – February 2017: Call for applications
- March 2017: Interview top candidates
- April 2017: Orientation via webinar
- May – June 2017 (exact dates to be determined): Internship
- June 2017: Internship reports submitted to IIAD

## To Apply to this Program

To apply to the IIAD Veterinary Student Internship Program go to <http://iiad.tamu.edu>. Applications must be submitted to [iiad@ag.tamu.edu](mailto:iiad@ag.tamu.edu) by 5 p.m. (CST) on Tuesday, February 28, 2017.
