## AgView Certificate of Veterinary Inspection (CVI) Tool

### Features & Benefits

- An easy-to-use interface for digitally entering animal health certificate data
- Issued CVIs are automatically sent to the state of origin and destination
- CVIs can be created offline, allowing veterinarians to use the product in the field
- Clinic accounts allow for veterinarians and animal health support staff to collaborate on CVI creation and submission, creating a more efficient CVI process for your practice
- AgView CVI is accepted by all 50 states, Guam, Puerto Rico, and US Virgin Islands

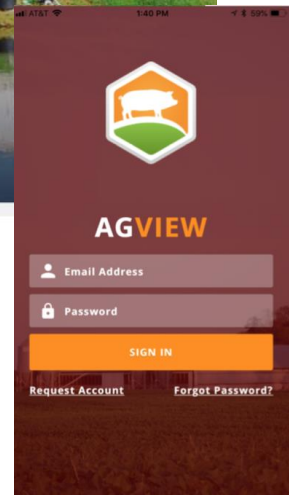

### Platforms

AgView is available on iOS, Android, and desktop platforms, so you can choose the best options for your staff & practice.

### Registration Options

Go to [www.agview.com](http://www.agview.com) to register from your desktop or download the AgView app for free from the Apple App Store or Google Play Store.

### Payment

Effective January 1<sup>st</sup>, 2019, there is a \$3 charge per CVI issued, in addition to any state fees, with no monthly account fee. Users will be invoiced monthly via email, only being charged for the number of certificates issued during the billing period. Accepted payment methods include check or credit card (MasterCard or Visa).
