

Institute for Infectious Animal Diseases—Parking (1500 Research Pkwy., Suite B270, College Station, TX)

If visitor parking is full, you may park anywhere in the parking lot, a tag is not required. Upon entering the building, turn left and take either the stairs or the elevator to the second floor. Once you have reached the second floor, turn left and enter through the double glass doors. The front desk associate will assist you.

Please feel free to contact 979-845-2855 if you have any questions.
